Montis Ordo, in the early summer of 2012 began its journey in the field of outdoor activities, starting firstly with rent-a-bike, then later ready to meet the needs of outdoor activities, offering individual and combined adventure tours.

With either the trekking tour, or alternatively the mountain bike tour, in the rich terrain trail network of Pelion, everyone can enjoy the scenery, vegetation, and hidden mountain spots slowly or at speed!

Our Services:

- bike rental: rent a bicycle, with a minimum of 1 day rental.
- trekking tours: trekking tours to the requirements and fitness of clients.
- mountain bike tours: cycling tours in the area either with their private bikes, either supplied by the company.
- executive guiding: technical difficulties and routes designed for all levels and tastes. Excursions tailored to customers' requirements with a variety of options.
- bike delivery: delivery bike for rent in residence of clients, with a small charge.
